## Getting Started

To get started using the LMS you will need a few basic things:

1. [A unimelb user account](#)
2. [A compatible computer](#)
3. [A compatible, and correctly set up, web browser](#)

## Login Instructions

With the above items, logging into the LMS is simple:

1. Go to [www.lms.unimelb.edu.au](http://www.lms.unimelb.edu.au) (this site)
2. Select [Access the LMS](#) on the home page or in the menu, or the quicklinks of any page on the site.
3. Enter your user name and password.  
*Note: Your user name is your unimelb email account name and password. For help with your University account please read [Your user account](#).*
4. Click the login button

## Problems logging in?

- Please read the 'Login Instructions' above carefully and ensure that you are using the correct [login details](#).
- Check that your computer meets the [Minimum computer requirements](#) and your Internet browser meets the [Browser requirements](#) for the LMS.
- If you are still having difficulty, please note any error messages you are receiving and contact the [Helpdesk](#).
