Import

If you have posts or comments in another system WordPress can import them into your current blog. To get started, choose a system to import from below:

| | |
|------------------------------|---|
| Blogger | Import posts and comments from a Blogger account |
| Dotclear | Import posts from a Dotclear Blog |
| LiveJournal | Import posts from LiveJournal |
| Movable Type | Import posts and comments from your Movable Type blog |
| RSS | Import posts from an RSS feed |
| Textpattern | Import posts from a Textpattern Blog |
